

**WEDNESDAY 31<sup>st</sup> DECEMBER 2008 15<sup>th</sup> DALESIDE BREWERY AULD LANG SYNE 6M/900FT**

What a way to end the year, a massive, incredible and stupendous turn out of 562 runners descended on Penistone Hill to celebrate the fell running seasons end of 2008. Why so many? Is it the pull of the race or the grand old Yorkshire beer produced by **Dalside Brewery**? With so many running we nearly ran out of the popular **Daleside 'Old Leg Over' beer**, but luckily just had enough! The sub zero temperatures made everything look magical, with a heavy dusting of frost everywhere, this wasn't only on the scenery by the finish, because runners finished looking like ice sculptures, just see the photos. Andi Jones the 2006 winner was in mean mood, and never gave Olympic athlete Alistair Brownlee and brother Jonathan a snowball in Hells chance! But to be fair Chevin Chase winner, Alistair, didn't do himself any favours by within the first 200 yards going off route, much to the amusement of everyone else. 17 year old Blue Haywood made a welcome return to the fells, and her hunting ground of Penistone Hill, by winning from Karen Pickles and Stoop winner Sabine Hauswirth, the visiting Swiss international orienteer. Due to the wintry conditions records tumbled in age groups everywhere. The spring issue of the Fell Runner magazine will feature an in depth article about the event, and some of the runners. **A special thanks and mention must go to all the hardy souls who braved the elements to marshal, register, time keep and record all of you, - without them races just wouldn't exist! The traditional Scottish pipe music to set you on your way, and to welcome many of you back, was provided by young Ilkley Harrier Calum Carslaw who braved the elements in his kilt.**
