

**NO HOPE AT THE STOOP** British champion Rob Hope from the Leeds club P&B, but a Lancashire man, notched up another victory to add to 2001, 2002, 2003, 2004 and 2006, on a very muddy and wind swept Haworth Moor. The 34 year old gave no hope to the 293 other runners as he powered his way up to the old Haworth boundary stone which marks the summit of Oxenhope Stoop, 10 times winner Ian Holmes and Andy Hilton chased in vain, although Ian never gave up and only finished 15 seconds behind, which never allowed Rob any chance to ease off. Ian did clinch the veteran title for the 3<sup>rd</sup> time. Rob led his club to the team chocolate prize ably backed up by Graham Pearce 4<sup>th</sup> and Richard Pattinson 5<sup>th</sup>. Wharfedales up and coming junior international Jonathan Bradshaw won the U18 title in 21<sup>st</sup> place just a few seconds behind team mate Sam Watson, but ahead of new recruit Colin Moses. Andy Normandale from York Acorn the first V50 was sandwiched between these in 22<sup>nd</sup>, and an astonishing run from Jack Holt in 45<sup>th</sup> saw him win the V60's ahead of Dave Tait, while Clayton stalwart Harry Manning took the V70 title. One sad point of the race was that 2005 winner and defending champion Andi Jones, who 2 weeks previously finished only a second outside his marathon pb, 2.17.49, at the Florence race, unfortunately got a message just before the start that his father was gravely ill, sadly he passed away on 21<sup>st</sup> December 2008, our condolences go to Andi and his family.

The ladies race had an international flavour because Sabine Hauswirth a foreign language student from Switzerland won the ladies race. The 21 year old orienteer running in the Ilkley Harriers colours found the slippy, sloppy, boggy descent to her liking, although a few head long dives were a good initiation to British fell running, and the delights of Haworth Moor. Long time leader 2007 U23 British Champion Emma Clayton was first to the summit, and only on the bracken banking descent lost control of the race, but like in the mens race Sabine couldn't ease off as Emma finished only 21 seconds behind. This is Sabine's 5<sup>th</sup> outright win so far since she took residence in the country, she has won 2 cross countries and 3 orienteering events, one even being round the streets of Leeds, and only last week the international orienteer played a major part in Ilkley Harriers ladies winning the Calderdale Way Relay. Her day was complete when Emma Barclay finished 3<sup>rd</sup> and Sally Malir 4<sup>th</sup> giving the team chocolate to the Ilkley girls – who love chocolate! Sabine isn't the first Ilkley Harrier to win the ladies race, Tracy Ambler now Greenway won in 1998, and Helen Johnson in 1999, Tracy was hoping to run but came down with a stinking cold, however, kids Will, Bradley and Ellis along with husband Brent all splashed around in the soggy conditions. Holly Page a regular at the junior Quarry runs won the U18 ladies title finishing 5<sup>th</sup> overall, while 6<sup>th</sup> was Claire Hanson and 7<sup>th</sup> Lisa Brambani, a former world class cyclist, who seems to have been bitten by the fell running bug since being bestowed with Bunny Run celebrity status.

The Curly Wurly races certainly maintained their **WOW** factor, with an astonishing record number of 158 eager festive fun youngsters turning out in the dismal wet and windy conditions, but that certainly didn't dampen their enthusiasm. The new fancy dress competition was BRILL! With many Rudolph's, Santa's, Fairy's, a snowman, a duck, Mrs. Claus and even a group of PJ party girls, how on earth some of these youngsters managed to negotiate themselves around the course in these outfits is a mystery, but good on you, each and every one of you – you're stars, and this competition is here to stay. The under 8 fun run which traditionally starts the race programme for the day was immense, with 63 tiddlers literally swimming their way out of the quarry. First to finish in 3.09 from Princess Mary Junior club was 7 year old Matthew Croken with Joe Alderman and Toby Kitching in close pursuit, first girl was Withins U8 winner Lucy Horrocks in 3.39 with Madeline Smith and Molly Cheetham split by just one second. U14 Oliver Watson of Leeds Carnegie held off the challenge of U12 winner James Hall, with U12 Max Wharton 3<sup>rd</sup> overall, in 4<sup>th</sup> was GU14 superstar Rosie Hellowell who led home all her fellow Keighley and Craven athletes. Triathlete Abby Mae Parkinson of Bradford Grammar School finished 10<sup>th</sup> overall and won the GU12's, this despite being in fancy dress as Mrs. Claus. East Cheshire's finest Lily McGuinness won the GU10 category yet again, and having the GU8 course record already, it seems only a matter of time before she works her way through the record list, Lily just thrives at these races. What a race the under 16's was, which was combined within the U10, U12 and U14 races, Sean Carey and England international Tom Sessford were cat and mouse all the way, but Sean had the bigger kick at the end to triumph in 12.23, which was only 11 seconds slower than when he won at the Withins race. Nichola Jackson repeated her Withins win, and was only 19 seconds down on that time and defeated again Pendle's Emma Spencer. A very big THANK YOU must go to **Up & Running** who supplied each goody bag with a snowflake or a hedgehog design reflective arm wrap, which will keep all you young ones safe through these dark winter nights.
